

The drawing consists of three views of a mounting plate:

- Down View:** A top-down view of the plate. It is a square with a side length of 40. A central circular hole has a diameter of 37. The plate has a thickness of 1.
- Up View:** A bottom-up view of the plate. It shows the same square shape with a side length of 40. A central circular hole has a diameter of 38. The plate has a thickness of 2.
- Side View (Mounting Dimensions):** A side view showing the mounting details. The plate has a total height of 38. The mounting holes are located 10 units from the bottom edge (MIN. 10). The distance between the centers of the two mounting holes is 40. The mounting holes are 2-M6. The plate is mounted within a recessed area with a radius of R1.
